# GIHANI MADHUBHASHINI

UNDERGRADUATE

FACULTY OF COMPUTING

## PROFILE

I am a 23-Year-old student pursuing a Diploma in Higher National Diploma In Information Technology at IUHS Campus. I am confident, self motivated and energetic, able to communicate effectively with all level of people, adapt to a variety of work settings and like to take challenges and to work under pleasure.

## PROJECTS

### Freelancing Platform for Nalanda Foundation

(2nd year group project)

- I developed a freelancing web application for Nalanda campus with three user roles: Admin, Sellers, and Buyers.
- Tech - MongoDB, Express.js, React.js, Node.js

### Weather Forecasting

(individual project)

- Built a weather forecasting application, showcasing an understanding of front-end technologies.
- Tech - HTML, CSS, JavaScript

### Ceyloan Style e-commerce website

(2nd year group project)

- I developed an e-commerce website called Ceyloan Style, a clothing store with separate admin and user sections. The admin manages products, inventory, orders, and accounts, while users can browse, search, and add items to their cart.
- Tech - PHP, MySQL, HTML, CSS, JavaScript

### Ceyloan Style e-commerce website

(2nd year group project)

- I developed an e-commerce website called Ceyloan Style, a clothing store with separate admin and user sections. The admin manages products, inventory, orders, and accounts, while users can browse, search, and add items to their cart.
